On behalf of the PS11 PTA Executive Board, we are delighted to welcome you all to the 2017 - 2018 school year. We continue to have many great initiatives underway and we have another great year ahead.

Who is the PTA? YOU are the PTA! All parents and anyone who has assumed a parental relation to a child at PS11, as well as teachers, are automatically members of the PTA. The PTA is the forum through which parents can have their voices heard. The PTA is second only to your home as the place where your involvement does the most to improve your child's education. There are countless ways to be involved no matter what your schedule may be, so please attend PTA meetings, sign up for PTA committees, and help out with PTA functions and fundraisers. A few hours of your time does a lot of good for our children!

We look forward to seeing you at our PTA Welcome Meeting on Tuesday, September 19th at 6:00 p.m. This will be our first general PTA meeting. Meet other families and find out how you can make this year's PTA a great success.

Please remember to pay your PTA dues! We are asking each family to pay PTA dues in the amount of \$50, \$75 or \$100 per school year. Paying dues *is not required* to be active in the PTA, attend meetings, or run for office, but dues are an important first step in raising funds for the year and your contribution goes toward making PS11 a better place for all. You can pay your dues easily with a credit or debit card through the school website www.ps11brooklyn.org. Or, you can write a check (made out to "PS11 Parent Teacher Association" and place it in the envelope provided with this packet.

Looking forward to a great year!

Welcome!
